Raeisi Opens 2nd Phase of Water Transfer Project

MSC power plant comes on stream

2 >

President Ebrahim Raeisi on Friday brought online two megaprojects during a one-day visit to Isfahan in central Iran. In one of the inaugurations, he broke the ground for the second phase of a major project that pumps seawater from the Gulf of Oman to Isfahan to supply the industrial sector of the province with water.

Iran arms setup at Belgrade's Partner 2023 turns heads

EXCLUSIVE

Iran's towering display of 16 weapons systems at the international arms fair, Partner 2023, in Belgrade, Serbia, drew the attention of experts, especially on its unmanned aerial vehicles (UAVs) produced for reconnaissance or shooting purposes.
