US Pleads with Axis of Resistance

The United States, as the main supporter of Israel in attacking the people of Gaza, has, on the one hand, provided all kinds of military equipment to the Israeli regime and neutralized any plan and proposal for a cease-fire in international institutions and, on the other hand, not kept its fears of the spreading of the war secret. In the latest example of Washington's moves to prevent the escalation of the war and its scope, it has sent a secret message to Lebanon's Hezbollah. Iran's foreign minister revealed that the US has been sending messages to Tehran as well.
