Type and volume of Islamic states' exports to Israel

Which Muslim countries are filling the gas tank of the killing machine?

Leader of Iran's Islamic Revolution Ayatollah Seyyed Ali Khamenei urged Muslim states on Nov. 19, 2023 to

"prevent energy and commodities from reaching the Zionist regime." Currently, certain Muslim nations export various

types of goods to Israel. The following infographic, using reliable sources, sheds light on the volume of those exports.
