A project to 'disturb Iran'
**Strategies to counter
Turkey's soft war,
TRT Persian network**

By Navid Kamali

OPINION
EXCLUSIVE

The recent official launch of TRT Persian network has operationalized the Turkish Radio and Television Corporation (TRT) Director General's controversial promise from several months ago to "disturb Iran." These concerning statements, which explicitly revealed intentions to create challenges for Iran, have now doubled concerns about the true objectives of this media project with the network's formal launch.
